Starlights™

JCT 6 M6, B7 5SA

DUAL
SIDED

Delivering an audience of 2.5 million per fortnight

This super-size structure delivers over 4000 sq ft of digital advertising space and is located above the Star City entertainment complex adjacent to junction 6 of the M6, Spaghetti Junction. A landmark Digital Out of Home advertising site, Starlights creates an iconic backdrop to the landscape at the busiest motorway junction in Great Britain. Starlights is the most prominent digital outdoor advertising location in the central region.

-  **SCREEN SIZE:** 2 x Digital 96 Sheets
-  **FORMAT:** Digital, Static
-  **Largest Motorway Screen in the UK**
-  **Highest Unique Reach (60%) of Any DOOH Screen in Birmingham**

Birmingham Lights

City Centre, B4 6SX

Delivering an audience of 2.2 million per fortnight

An unmissable Times Square style wraparound digital billboard at the heart of Birmingham City Centre. This large-format digital billboard, named Birmingham Lights, is the first of its kind in the city and wraps around two sides of 'The Square' building in typical New York fashion on the busy corner of Bull Street and Corporation Street. Birmingham Lights broadcasts stand-out advertising content in two different directions. With one side facing the route to Bullring Birmingham and Grand central, and the other to Colmore Row and Snow Hill Station.

 **SCREEN SIZE:** Digital 96 Sheet (2 x Digital 48 Sheet)

 **FORMAT:** Digital, Full Motion

- The only Wraparound DOOH site in Birmingham
- 2/3 of audience don't see another D96

Spotlight Birmingham Road

West Bromwich B71 4JQ

2 X D96s

Delivering an audience of 1.6 million per fortnight

The first in the new Elonex Spotlight network, where two unmissable Digital 96 Sheet advertising billboards targeting extraordinary high-volume traffic

Located immediately off Junction 1 of the M5, Spotlight Birmingham Road dominates its environment and effectively targets high volume traffic travelling on the A41 to and from Birmingham City Centre. Close to West Bromwich Albion Football Club, Spotlight Birmingham Road offers a new concept in the Digital Out of Home market, creates a unique advertising platform and delivers huge audience numbers for brands who really want to shine.

 **SCREEN SIZE:** 2 x Digital 96 Sheets

 **FORMAT:** Digital, Static

 **M5 Junction 1**

 **Major Birmingham City Centre Inbound & Outbound Arterial Route**

Spotlight New Town Row

Birmingham City Centre B6 4HP

Delivering an audience of 2.8 million per fortnight

The latest addition to the new Elonex Spotlight network, where two captivating Digital 96 Sheet advertising billboards targeting extraordinary high-volume traffic combine with an innovative and engaging experiential zone designed to truly bring your brand to life.

Situated in the heart of Birmingham, Spotlight New Town Row dominates its environment strategically capturing the vast flow of high-volume traffic circulating in and around the city centre. This prime location targets traffic connecting with all prominent city centre destinations and serves as a focal point for all major routes entering and exiting Birmingham.

2 X D96s

 **SCREEN SIZE:** 2 x Digital 96 Sheets

 **FORMAT:** Digital, Static

A38M

Thomas Street, B6 4TN

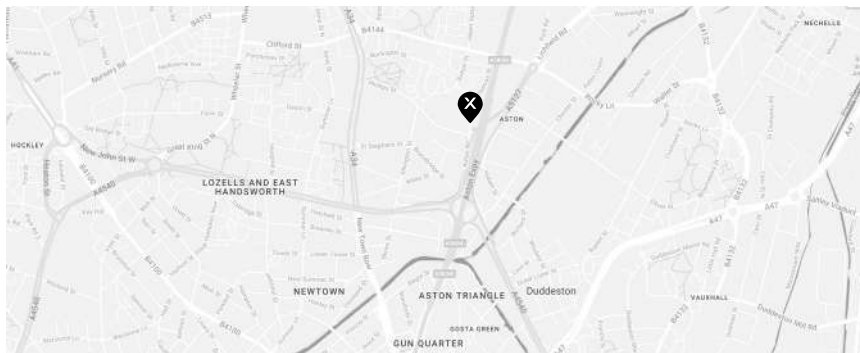

Delivering an audience of 1.36 million per fortnight

A brand new roadside Digital 48 Sheet HDR screen located on Thomas Street. This digital billboard is positioned to target high volume traffic on one of the UK's most notorious travel routes, and the first Digital Out of Home advertising site visible to Birmingham bound commuters when exiting the M6 at Spaghetti Junction and joining the A38M Aston Expressway to the City Centre.

 **SCREEN SIZE:** Digital 48 Sheet

 **FORMAT:** Digital, Static

 **City Bound from the M6**

Dartmouth Middleway

Birmingham City Centre B7 4LT

Delivering an audience of 783,000 per fortnight

A brand-new Digital 48 Sheet located at a notorious traffic hotspot in Birmingham City Centre. Dartmouth Middleway (A4540 Middle Ring Road) is a major arterial route in Birmingham that receives high volume traffic approaching from the M6/Aston Expressway and main ring road accessing all areas of the city centre. Busy at all times of the day, Dartmouth Middleway experiences heavy congestion during peak traffic hours and its location delivers exceptional audience numbers for brands seeking to make a powerful impact in Birmingham.

 **SCREEN SIZE:** 6m x 3m, Digital 48 sheet

 **FORMAT:** Digital, Static

Hagley Road Birmingham

465 Hagley Road, Birmingham, B66 4AU

Delivering an audience of 565,560 per fortnight

Another unmissable Elonex Digital 48 Sheet, this time strategically positioned on the busy Hagley Road in the Bearwood area of Birmingham. This prime location on the A456 targets high volume traffic flow exiting Birmingham City Centre on a major arterial route heading towards numerous destinations in Birmingham and the wider West Midlands region, such as Quinton, Halesowen, and the M5.

-  **SCREEN SIZE:** Digital 48 Sheet
-  **FORMAT:** Digital, Static
-  **24/7 Audiences**
-  **Situated on one of busiest routes out of the city centre**

Tyburn Road City 'Outbound'

Birmingham, B24 8NP

Delivering an audience of over 1 million per fortnight

This Tyburn Road Digital Out of Home site targets high volume traffic travelling on the A38 immediately prior to Spaghetti Junction, where commuters must choose to either access the M6 (north or south) or enter the A38(M), Aston Expressway towards all major Birmingham destinations. Renowned for being a traffic bottleneck, Tyburn Road guarantees advertisers big number audiences and high-level engagement by being unmissable to commuters driving on one of the busiest travel routes in the central region.

 **SCREEN SIZE:** Digital 48 Sheet

 **FORMAT:** Digital, Full Motion

 **The only D48 on entry to Spaghetti Junction**

100 Tyburn Road City Inbound

Birmingham, B24 8PT

Delivering an audience of over 889,000 per fortnight

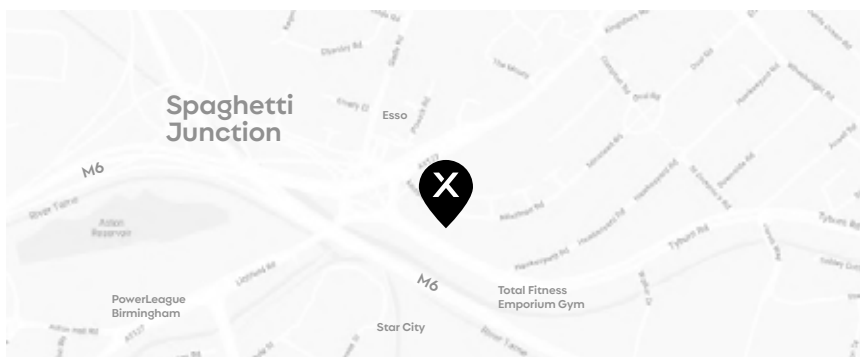

Located immediately off Junction 6 of the M6, this new Digital 48 Sheet advertising screen effectively targets high volume traffic exiting Spaghetti Junction and the A38(M) Aston Expressway. Renowned as a major bottleneck route, 100 Tyburn Road targets high volume, high dwell and 24/7 audiences as congested traffic travels inbound to Birmingham City Centre as well as towards the affluent northern districts of the city, including Sutton Coldfield, and the M6 Toll. Delivering huge audience numbers, 100 Tyburn Road is now a must have for brands who are serious about achieving ultimate coverage in Birmingham

 **SCREEN SIZE:** 1 x Digital 48 Sheets

 **FORMAT:** Digital, Static

 **M6, Junction 6**

 **24/7 Audiences**

Southside 48

Pershore St, Birmingham B5 6UU

Delivering an annual audience of 3.3 million

Located at the heart of Birmingham City Centre's vibrant and diverse Southside district, home to Chinatown, Theatreland, the Gay Village and the city's Creative Quarter. Situated on Pershore Street, Southside 48 targets visitors arriving in the City Centre, heavy traffic heading out of the City Centre and high footfall leisure goers accessing all city attractions; to deliver a powerful new Digital Out of Home proposition for brands looking to target mass audience in Birmingham

 **SCREEN SIZE:** Digital 48 Sheet

 **FORMAT:** Digital, Full Motion

ELONEX™

Bullring Birmingham PanVision

B5 4BU

Delivering an audience of 35.5 million per fortnight

Designed to dominate retail settings, PanVision screens are super-sized & dual-sided to target and engage with consumers as they shop and enjoy leisure time. Reflecting the D96 format of premium screens in major airports & rail hubs, and featuring Ultra Tight Pixels quality, PanVision screens are unmissable and deliver high impact messaging for brands serious about standing out from the crowd.

ELONEX™

Solihull Retail Park

B90 4LD

Over 1.7 million cars visiting each year

Solihull Retail Park is a prominent retail destination located in one of Birmingham's most affluent and densely populated suburbs.

Situated close to Junction 4 of the M42, Solihull Retail Park forms part of a cluster of popular retail parks by neighbouring Solihull Gate Retail Park and providing direct access to Sears Retail Park, where M&S, Lidl and Sainsburys can be found.

With over 1.7 million cars (ANPR) alone visiting each year, and this cluster of retail parks estimated to generate circa £1bn annual expenditure, Solihull Retail Park delivers a powerful advertising proposition for brands looking to reach big number retail audiences.
