MANCHESTER, M40 7XH

Delivering an audience of over 785,000 per fortnight

A brand new and high impact Digital 96 Sheet advertising screen, reaching big audiences for advertisers on the A6010 outer ring road, Manchester City Centre. Close to the city's Northern Quarter, this is a major commuter location that targets high volume traffic on one of the main arterial routes around Manchester City Centre. Stationary traffic at peak times, due to being located at a busy intersection with a multiple traffic light system, guarantees long audience dwell times to ensure campaigns running on this D96 really do demand attention.
