Afluent demographics

This affluent, engaged, and experience-seeking audience makes the French Alps an ideal location for brands targeting high-net-worth individuals, adventure enthusiasts, and luxury consumers.

Socioeconomic status

Income and profession

The majority of travellers in the French Alps are middle to high- income earners. They are often professionals, executives, entrepreneurs, or business owners seeking a luxurious escape.

Luxury travel

Luxury travellers, especially in resorts like Courchevel and Méribel, are drawn to the region's premium amenities where ultra- high-net-worth individuals frequent.

25-55

core audience

young professionals,
families, and corporate
groups

18-30

younger demographic

often visits for group trips
or ski festivals.

55+

retirees

also form a segment,
particularly in quieter,
high-end resorts.

Interests and lifestyle

Peak travel season in the French Alps is from December to March, with stays ranging from long weekends to full weeks.

Many travelers book package deals or opt for luxury chalets, resorts, and boutique hotels, seeking premium amenities and exceptional service.

Global presence

The French Alps attract a diverse international clientele. Visitors from the UK make up the largest percentage of foreign guests.

Growing trends

Alongside Dutch, Belgian, German, Swiss, and Scandinavian visitors, there's an increasing influx of luxury travellers from Russia, the Middle East, and China.

1 Sports, outdoor activities + adventure

2 Premium fashion, ski gear + tech

3 Luxury experiences, fine dining + spa treatments

4 Environmentally conscious
